Help us #FundraiseForFarley! For the month of October, we'll be collecting donations for the Farley Foundation, a charity that subsidizes the cost of necessary veterinary care for pets of low-income families in Ontario. Help people and pets in need by donating at [farleyfoundation.org/donate](http://farleyfoundation.org/donate).

When you donate to the Farley Foundation, you change two lives: the life of a real pet and the life of their owner. You're helping to preserve and protect a bond of love and devotion and giving hope to those who depend the most on their pets for love and companionship.
